

Motorhome and Caravan Pre-Purchase Inspection Report

Approved
Workshop

Pad Ref:	Customer Name:	Manufacturer:
Model:	VRM/VIN Number	Mileage:

All work is carried out to industry standards. This inspection does not include the engine or drive gear of a motorhome. This is covered by the separate motorhome chassis inspection (if applicable).

Body & Exterior Visual Checks	Comments & Observations
Panels and paint for defects and overall condition (delamination/dents/corrosion/damage)	
Seals/trims/inserts	
Doors/lockers/hinges/condition and security	
Windows/roof lights condition and security	

Interior Visual Check	Comments & Observations
Carpets/upholstery/overall condition (rips and wear)	
Table present and condition	
Bed make up/extras and condition	
Doors/cupboards/latches/hinges/condition and security	
Fly-screens/blinds (condition/operation)	
None invasive damp check (report findings over 15%)	
Floor check for delamination	

Gas Supply & Appliances	Comments & Observations
Check gas bottle & locker security	
Check LPG sticker	
Condition & date of hose	
Gas regulator date	
Visually check gas/LPG systems and tank for condition & security (record dates)	
Gas tightness test with fuel in accordance with UK LPG (test controls)	
Check ignition of gas appliances	
Check visible flame picture (where possible)	
Check flame failure devices (water heater excluded unless there is water in the system) Do Not Fill to Test	

Electrical Systems 240v	Comments & Observations
Visually check and connect mains hook up lead	
Conduct RCD trip switch safety true test x0.5/x1/x5	
Test all 240v sockets	
Functionality test of all 240v appliances/record amp pull	
Check earth bonding	

Electrical Systems 12v	Comments & Observations
Visually check 12v systems operation (control panel/ lights/pumps/fans)	
Check 12v charging circuit	
12v functionality of fridge	
12n plug & lead condition (caravan only)	
12s plug & lead condition (caravan only)	
12n/12s bonding continuity (caravan only)	
Power up 12n/12s systems & check	
12v lights & reflectors (caravan only)	

Fire & Safety	Comments & Observations
Test smoke alarm	
Test CO ₂ alarm	

Chassis & Running Gear	Comments & Observations
Underslung tanks & pipe work (visual only)	
Corner steadies and step condition/operation	
Hand brake (caravan only)	
Over run – actuation and recoil (caravan only)	
Jockey wheels condition and security (caravan only)	
Coupling safety latch/catch (caravan only)	
Emergency braking-brake away cable (caravan only)	

Raise & Check	Comments & Observations					
Wheels for full rotation (caravan only)						
Wheels for bearing noise (caravan only)						
Tyres for shape/condition/damage/defects						
Tread & Depth	RF	RR	LF	LR		
Tyre Pressure Do Not Alter	RF	RR	LF	LR		
Tyre Pressure Do Not Alter	RF	RR	LF	LR		
RCD results at 0 degrees	Ms	PF x1	Ms	PF x5	Ms	PF
RCD results at 180 degrees	Ms	PF x1	Ms	PF x5	Ms	PF
RCD mechanical trip test if above not possible	Test 1P/F			Test 2P/F		

HPI/MOT/CRIS Check
